The Power of Dreams

**THE  
GREATER  
DRIVE**

# WHAT IS THE GREATER DRIVE?

The childlike innocence that knows only good. The experience that turns heads. And the tables. The compassionate hand. The disciplined voice. The value of tears. And the power of sweat. They all come naturally to the ones born with the greater drive – you. As they come to the all 4<sup>th</sup> generation Honda City. Because like you, it smoothly navigates between the very extremes with sheer grace and poise. And that is why it is a reflection of how you feel inside. It is a symbol of your greater drive.

# A GOOD HEART GOES A LONG WAY

The City never restricts itself within set boundaries. Because just like you, it too has a brave heart - the new i-DTEC and i-VTEC engines. The innovative next-generation technologies from Earth Dreams portfolio enhance the joy of driving by returning the best ever economy numbers while taking care of the environment every time the wheels roll. Now that's a kind of heart that takes you places.

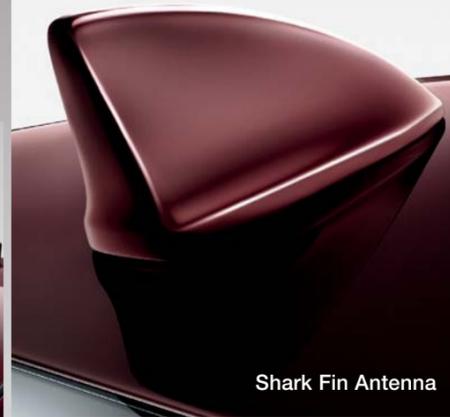

- The 1.5L i-DTEC, India's most fuel efficient diesel engine, gives an unparalleled mileage of 26.0 kmpl and max power of 100 ps. Available in the new 6 Speed MT, it's an all aluminium construction that runs on low friction technology and thus, lets you explore the farthest corners with perfect efficiency.

- The refined 1.5L i-VTEC petrol engine strikes a perfect balance by providing an impressive power of 119 ps combined with a mileage of 17.8 kmpl in the manual transmission. The new Continuous Variable Transmission (CVT) with torque converter, on the other hand, offers unsurpassed economy of 18.0 kmpl and boasts of being more fuel efficient than any other manual in its segment.

# A SHARK AMONG SCURRYING FISHES

Having the greater drive is being bold and fearless, to say the least. That is the reason why the City adorns such a charismatic avatar. Based on 'Exciting H Design' philosophy, it roars about its masculinity through Solid Wing Face Chrome Grille, powerful fenders and a perfectly chiseled body. To complement the whole look, the first-in-class shark fin antenna, electric sunroof and elongated wrap-around tail lamps with combination lamp lend a sportier stance. Now with a look so dynamic, you're bound to stand apart.
