The All New
Next Gen **i10**

PRESENTING THE NEXT GEN i10

A world of perfection awaits you -The world of the all new Next Gen i10. From the cutting edge VTVT technology behind the engine to the fluid form of its new sleek design and stylish interiors, the new i10 is clearly more than just a car. It's a testament to perfection. The aggressive, modern & sleek exteriors, new 2-tone beige and light brown interiors with blue illumination and chrome accents at multiple locations give the Next Gen i10 a premium feel and make it a car like no other.

Folding Key with Keyless Entry and Burglar Alarm

A careful design ethos can be found even in the ignition key console which has a convenient folding bayonet, a first-in-class feature that adds oomph to the Next Gen i10. Remote locking / unlocking facility with burglar alarm provides protection against any unauthorized entry.

Outside Mirror Turn Indicators

Electric Heated and Adjustable Outside Mirror

Electric Sunroof

Automatic Transmission

Bluetooth Connectivity

Steering Audio and Bluetooth Control

Aux and USB Ports

Driver Seat Height Adjuster

The Next Gen i10 is simply irresistible and speaks about class and innovation from every angle you look at it. The first-in-class turn indicators on the outside mirrors with heated function, the electric adjustable mirrors and electric sunroof lend a touch of luxury to this Next Gen phenomenon. While the automatic transmission ensures hassle free drive, the bluetooth connectivity, steering wheel remote, USB port and driver seat height adjuster make the drive convenient, providing the ultimate driving pleasure.

Innovation in Style and Technology

The new eye-soothing and elegant blue interior illumination make the instruments easy and strain less to read. The new stunning design makes the cluster much more interesting and on the technology front, first-in-class manual transmission shift indicator helps to decide optimum gear usage to achieve maximum fuel efficiency while driving.

1.2 litre Kappa2 Engine with VTVT

The new age 16V DOHC Kappa2 engine with first-in-class VTVT (Variable Timing Valve Train) technology gives you the best of both worlds- Class leading mileage and optimum performance for an out-of-the-world driving experience. The VTVT system controls the valve operation depending upon the engine requirement leading to the best in segment fuel mileage with low emissions.

1.1 litre iRDE2 Engine

The new improved 1.1 iRDE2 (intelligent Responsive Drive Engine) engine has been technically enhanced and upgraded to deliver a peak power of 69 ps and ensures an irresistible combination of power and mileage.

SAFETY COMES NATURALLY WITH THE NEXT GEN i10

Apart from being the best-looking car on roads, the next gen i10 is also one of the safest. With first-in-class reverse parking sensors and the reassurance of dual airbags and ABS, you don't have to worry about safety anymore while you enjoy your Next Gen drive.

ABS

Anti-lock Braking System with its amazing ability to prevent skidding and retaining the car's steerability adds another feather in the cap of the next gen i10. It also prevents wheel lock-up during panic braking especially on slippery surfaces and ensures stable braking.

Reverse Parking Sensor

Another first-in-class feature that detects obstructions while reversing with the help of a proximity sensing buzzer alerting the driver to avoid a possible collision. This feature is very useful while parking the vehicle in tight spaces.

Dual Airbags

The Next Gen i10 offers dual airbags which deploy in the event of an accident to reduce the severity of injury to the occupants and ensure maximum safety and confidence in vehicle.
