ISSUE NO	M-G-AZI-03
DATE	14.01.2012
PAGE	01 of 01

**SUBJECT: Change of Engine oil grade and periodicity**

**MODEL: AZI413-D(New Swift-D)**

This bulletin is to inform about the change of Engine oil grade in New Swift-D(AZI-413D)vehicles and discontinuation of the engine oil change during 1st free service at **1,000 kms**.

**A) MODIFICATION IN PERIODICITY AND GRADE: 1<sup>ST</sup> replacement of engine oil**

- Engine oil grade used earlier in New Swift-D(AZI-413D) was **15W40** which has now been changed to **5W40** starting from chassis no **MA3FHEB1S00179480**
- Engine oil change which was part of 1<sup>st</sup> free service at 1,000 kms is not required for New Swift-D(AZI-413D) vehicles starting from chassis no **MA3FHEB1S00179480**
- If, few New Swift-D vehicles before the above mentioned cutoff VIN No report to workshop for first free service, replacement of Engine oil should be done at 1000kms(1<sup>st</sup> free service).

**B) MODIFICATION IN PERIODICITY AND GRADE: Subsequent periodic replacement of engine oil**

- For new Swift-D vehicles 5W40 engine oil is to be used in subsequent services (Replacement Periodicity at 10,000 Kms).
- For topping up of engine oil, the oils of different grades should not be mixed.

**C) CUT OFF VIN NO:**

<b>New Swift Vehicle (AZI 413-D)</b>	<b>MA3FHEB1S00179480</b>
